

Text....**Think**....Send

The Texting Pledge

Why would you want to hurt someone? Why would you want to make someone cry and be embarrassed? Why wouldn't you think about someone's feelings before you send a text?

I don't know why.....do you?

By taking this pledge you promise to never be the text bully you wouldn't want to be bullied by.

By taking this pledge:

- ✎ I agree to stand up to stop text bullying and spread the word.
- ✎ I agree to never text someone messages that would make them uncomfortable.
- ✎ I agree to always help someone that is being text bullied.
- ✎ I agree to check to see if the text I'm sending is what I really want to say.
- ✎ I agree to not join in on text bullying but help to stop it.
- ✎ I agree to never send hurtful text messages to anyone.
- ✎ I agree to THINK before I send a text.
