Dear Parent/Guardian of _____:

Enclosed is an Allergy Action Plan for your child's doctor to complete. Per Massachusetts General Law, all students requiring medication during the school day must have a physician's order accompanying their medication. The MA Department of Public Health states that teachers and staff may be trained to give an Epi Pen to students who are diagnosed with a life threatening allergy **and** who have their own Epi Pen. **They are not allowed to use a stock Epi Pen.** Therefore, it is required that your child have their own Epi Pen for use at school.

Please have your physician complete this form for the _____ school year. Return it with your child's Epi Pen to the health office at the start of the school year.

***This order must be written on or after July 1st in order to be used for the current academic year.**

Please feel free to call me at 508-541-7890 if you have any questions.

Sincerely,

Kym Cameron, RN
School Nurse
