

**Remington Middle School**  
**Allergy Action Plan**  
Year \_\_\_\_\_

Dear Parent/Guardian,

Your child has been noted to have a **Life Threatening** allergy that could require emergency treatment while at school. In order to insure the best possible treatment plan please have your child's physician complete the bottom of this Allergy Action Plan. Parent/Guardian, please complete top **and** back of this form. If multiple **Life Threatening** allergies exist, please use one form for each allergy.

New plan updates may be submitted throughout the school year with medication and/or treatment plan changes.

**Please note: Franklin Public School policy states that anyone requiring the use of an EpiPen will be transported by ambulance to the hospital. Emergency Medical Services are activated in the District by calling 911. In the case of an emergency, local EMS will transport to the nearest medical facility.**

**EpiPen® and EpiPen Jr.®**

Follow these directions **only** when ready to use.  
**Never put thumb, fingers, or hand over black tip.**  
**Do NOT remove gray activation cap until ready to use.**

- 1) Familiarize yourself with the unit.
- 2) Grasp unit, with the black tip pointing downward.
- 3) Form a fist around the auto-injector (black tip down).
- 4) With your other hand, pull off the gray activation cap.
- 5) Hold black tip near outer thigh.
- 6) Swing and **jab firmly** into outer thigh so that auto-injector is perpendicular (at a 90° angle) to the thigh.
- 7) Hold **firmly in thigh** for **10** seconds.
- 8) Remove unit, massage injection area for several seconds.
- 9) Give used EpiPen to Emergency Medical Personnel.

**I have reviewed the above plan and have incorporated it in the student's School Health Record.**
